

Characteristics of Empirical Research Articles

- ▶ Empirical Articles
- ▶ Articles contain original research (scientific experiments, surveys, research studies)
- ▶ A list of references provided at the end of each article
- ▶ Empirical research articles are published in scholarly or academic journals called “peer-reviewed” or “refereed.”
- ▶ Parts of a standard empirical research article:
 - ▶ Abstract
 - ▶ Introduction
 - ▶ Method
 - ▶ Results
 - ▶ Discussion
 - ▶ References
- ▶ Empirical articles include charts, graphs, or statistical analysis
